

Loran Forum – Challenge to a New Radionavigation System

The Basic Issue: The Need for Redundancy

The Advantages of Loran as a Backup:

- 1 . Safety
- 2 . Economic Stability/Opportunity
- 3 . Security
- 4 . Political Independence

For an introduction to the new
enhanced or eLoran, please
attend opening session of ILA33
tomorrow morning at 08:30.
Arigato!
