Speaker

Michael Edwards
Vice-President, Venoco, Inc.

**Navigating the Natural Petroleum Seeps
of the Santa Barbara Channel**

Mike Edwards is a vice-president with Venoco, Inc. – a local oil and gas production company. He has a business degree from Colorado State University, a law degree from Santa Barbara College of Law and is licensed to practice law in California.

Mike is responsible for corporate communications including media issues, the company's website and printed materials as well as handling various aspects of community relations and government affairs. Mike has been with Venoco since 1994 where he started as Manager of Land responsible for property related contracts and agreements.

Mike lives in Santa Leta with his wife and children (ages 4 ½ & 8). He is a past Chair of the Goleta Chamber of Commerce, is Secretary of the Santa Barbara County Bar Foundation, and is a board member of C.A.L.M. and the SB Wildlife Care Network. He is an avid nature/wildlife photographer.
